Certification Note:

The existing data compiled on this conceptual study plan is from existing maps and recorded data. Due to methods of compilation and accuracy of some maps used to compile this plan, there may be some deviations from said maps and/or data and this plan. There are many factors which lead to this, including the accuracy of said maps and data, and known site features such as stone walls, roadways, and buildings. These deviations are common when compiling maps and data from various sources and cannot be avoided without an actual field survey and deed research. This plan is to be utilized for discussion purposes only.

This plan is substantially correct in accordance with a Class IV standard as adopted by the Rhode Island Board of Registration for Professional Land Surveyors. This plan is not to be construed as an accurate boundary survey and may be subject to such changes as an accurate boundary survey may disclose.
